FOR IMMEDIATE RELEASE**

HÉROUX-DEVTEK AND ITS LONGUEUIL FACILITY EMPLOYEES RATIFY A NEW THREE-YEAR COLLECTIVE AGREEMENT

Longueuil, July 18, 2019 - Héroux-Devtek Inc. (TSX: HRX) (“Héroux-Devtek” or the “Corporation”), the world’s third-largest landing gear manufacturer, today announced that the unionized employees at its Longueuil, Québec, facility have voted in favour of the early renewal of a three-year collective agreement, which now extends through April 30, 2023. The renewal concerns approximately 210 employees who are members of Unifor, Local Section 1956.

“We are pleased to have reached an agreement with our employees that will allow our teams to fully dedicate time and resources to delivering the record backlog of our Longueuil facility. This also demonstrates the dedication of our personnel to meeting customers’ expectations. Our employees are the main force of our company and we are very pleased to work hand-in-hand with them in order to continue offering high-quality jobs throughout our organisation.” said Martin Brassard, President and CEO of the Corporation.

PROFILE

Héroux-Devtek Inc. (TSX: HRX) is an international company specializing in the design, development, manufacture, repair and overhaul of aircraft landing gear, hydraulic and electromechanical flight control actuators, custom ball screws and fracture-critical components for the Aerospace market. The Corporation is the third-largest landing gear company worldwide, supplying both the commercial and defence sectors. Approximately 90% of the Corporation's sales are outside of Canada, including about 50% in the United States. The Corporation's head office is located in Longueuil, Québec with facilities in Canada, the United States, the United Kingdom and Spain.
