### Héroux-Devtek Receives Performance Excellence Award from Boeing

Longueuil, Québec, May 14, 2008 – Héroux-Devtek Inc. (TSX: HRX) a leading Canadian manufacturer of aerospace and industrial products, today announced that its Landing Gear Division received a silver-level Performance Excellence Award from The Boeing Company recognizing Héroux-Devtek for its outstanding delivery and quality performance in 2007.

Héroux-Devtek was one of more than 250 companies out of Boeing's worldwide supply base to receive a Boeing Performance Award. This high level of performance results from constant teamwork efforts at all sites of the Landing Gear Division.

"Héroux-Devtek is very proud of being recognized by The Boeing Company, which demonstrates our commitment to our customers," said Gilles Labbé, President and Chief Executive Officer of Héroux-Devtek. "Our team is dedicated to superior product quality and on-time delivery. All employees of our Landing Gear Division have contributed to this effort and we thank them for their support in building an enduring and growing relationship with Boeing."

#### About Héroux-Devtek

Héroux-Devtek (TSX: HRX), a Canadian company, serves two main market segments: Aerospace and Industrial Products, specializing in the design, development, manufacture and repair of related systems and components. Héroux-Devtek supplies both the commercial and military sectors of the Aerospace segment with landing gear systems (including spare parts, repair and overhaul services) and airframe structural components. The Company also supplies the industrial segment with large components for power generation equipment and precision components for other industrial applications. Approximately 70% of the Company's sales are outside Canada, mainly in the United States. The Company's head office is located in Longueuil, Québec with facilities in the Greater Montreal area (Longueuil, Dorval, Laval and Rivière-des-Prairies); Kitchener and Toronto, Ontario; Arlington, Texas and Cincinnati, Ohio.

#### Forward-Looking Statements

Except for historical information provided herein, this press release may contain information and statements of a forward-looking nature concerning the future performance of the Company. These statements are based on suppositions and uncertainties as well as on management's best possible evaluation of future events. Such factors may include, without excluding other considerations, fluctuations in quarterly results, evolution in customer demand for the Company's products and services, the impact of price pressures exerted by competitors, and general market trends or economic changes. As a result, readers are advised that actual results may differ from expected results.
